PROFESIONAL PROFILE

Hardworking, motivated and organized are just some of the ways that I have been described. With experience managing large staffs and multitasking, I thrive in stepping up to be a leader. My passion in education includes studying the natural & social sciences, computer science and informatics. I'm seeking dynamic opportunities that require a combination of my skills such as bioinformatics.

WORK EXPERIENCE

- **Midwest Pool Management - Manager / Jul. - Aug. 2016**
Manager of aquatic facility and primarily responsible for the safety of patrons and supervising twenty-five lifeguards. Additionally responsible for first aid, managing chemicals, evaluating new rules, training staff and ensuring pool cleanliness.
- **Midwest Pool Management - Headguard / May - Jun. 2016**
Primarily responsible for the safety of patrons and supervising twenty lifeguards and assisting the manager with running the facility. Additionally responsible for first aid, checking chemicals, training staff and ensuring pool cleanliness.
- **Midwest Pool Management - Lifeguard / 2014 - 2015**
Primarily responsible for ensuring patron safety and rule enforcement. Additionally responsible for cleaning facility, performing first aid and performing aquatic rescues.
